Going to class during the spring term is always one of my favorites. The trees have started to bud, the flowers are in bloom and the campus just seems happier. I am writing ahead of the trip completion; Nancy and I are thoroughly enjoying our OLLI trip to the cultural capitals of Spain during the spring break. There are 32 people converging for group activities and diverging for more specific pursuits. The classes offered during the fall and winter sessions have enhanced our appreciation for our travels. Having OLLI art teacher Debbie West along is a special treat as she gives meaning to the many exhibits on display. We thank Elaine Fredericksen for her capable translations. Guy Collins and Vanitha Singh gave us exposure to the history and literature. OLLI travel is value added to our program.

During the winter term, I volunteered to be an OLLI Ambassador and am continuing during the spring term. This is just one more way we can help our OLLI program thrive. It only takes a couple hours a week during the term. There are always things to do to help alleviate the administrative burden we put on the CPCS staff.

This year we initiated a new program called **Inside OLLI** to let our members better understand how our program operates. We had about 80 attendees, and we received many complimentary reviews. I want to thank Gratia Mahony and her team for all the work they did to put on this successful event. The program was informative and the lunch provided an opportunity for small groups to interact with each other and discuss various aspects of our program. Not only did we explore our knowledge of OLLI; we formed bonds with the attendees. Consider becoming more involved in your OLLI program.

**REGISTRATION IS ONGOING!**

**DON’T FORGET!**
The University of Alabama in Huntsville has dining options available. A food service gift card designed with OLLI members in mind is now available. The cards are $100 and offer $120 in food. You must go to the University Cashier (the new Student Services Building Room 129) to pay, take the receipt to the Charger Union Room 131, and pick up your gift card good in the CTC Charger Café, the Bevill Center, or any other food venue on campus. Find great early-bird parking and enjoy breakfast before OLLI classes. The gift card is good for all hours the venues are open. The food is quite good.
A Calendar of Upcoming Events will be published in each edition. Committee Chairs should contact Nancy Darnall at nbd51@icloud.com or Maxine Doherty at maxine.doherty@uah.edu to add items. Check your Weekly E-news for updates and details.

Spring is here and OLLI students will be enjoying some exciting new courses. We will be taking things like Chess and Bridge to help us keep a healthy mind; Tennis and Pickleball to help us keep a healthy body; and Genealogy and Writing Your Life Story to make sure we pass our personal experiences on to our families. We will also learn foreign languages, learn about art and music, and about the natural world around us. These are just a few of the subject areas in which OLLI will be presenting courses this spring.

The Curriculum Committee is now hard at work developing a schedule of courses for the fall term that will entice new and returning students to OLLI. We strive to offer courses that our membership has requested, so let us know if you have a suggestion for a new course. Contact Gratia Mahony at dunhamgratia007@gmail.com.

They also saw a variety of other African wildlife. See exciting photographs of the trip and of their visit to Cape Town and the Cape of Good Hope.

May 17 – **Interesting Facts about Bees** – Bob Fanning
Did you know that a male honeybee has a grandfather but no father? Honeybees depend heavily on sound and odor, yet they have neither ears nor nose! How do they breathe? A typical honeybee hive has from 15,000 to 100,000 worker bees and one queen. Both the workers and the queen are female, so how do they decide who gets to be queen? Honeybees see everything you see and more—yet their eyesight is not that good in the visible light range. Join us as we learn more about the fascinating life of bees!

The Winter Teacher Appreciation Luncheon was a big success. The BBQ from Smokey's was delicious and was plentiful enough to feed a crowd of nearly 140—we were so pleased to have such a large crowd! It was the perfect occasion to thank OLLI’s instructors and facilitators for the Winter term’s great courses. Luana’s Wahines and the Big Kahuna provided Hawaiian hula dancing for everyone’s entertainment. There was much conversation and fun.

Our next social event will be the Annual Dinner. Plans are being polished for a lovely plated dinner at the Jackson Center on Friday, May 19th. Make sure you save the date, as it will be a very special evening. More details will follow. After that, plan for the OLLI Summer Pot Luck Picnic at Green Mountain Nature Preserve in June. Delicious foods, much conversation, and a light hike are on the agenda.

If you would like to serve on our OLLI Social Committee, please contact Leah Black at leahblack01@comcast.net. We have lots of fun planning and organizing social events throughout the year.

There is a fountain of youth: It is your mind, your talents, the creativity you bring to your life and the lives of people you love. When you learn to tap this source, you will truly have defeated age.

DONATE TO OLLI

OLLI offers several options for donations. Each is important to our program, our members, and the mission of the University of Alabama in Huntsville. All are tax-deductible.

The OLLI Support Fund provides funds for present operations within the program.

The OLLI 501(c)3 Targeted Donations Fund receives donations for general expenditures of the volunteer committees or designated gifts with specific goals. Designated gifts include curriculum, member financial assistance, and the volunteer operations.

The OLLI Undergraduate Scholarship Fund provides a renewable scholarship to a UAH student who has demonstrated academic excellence and financial need.
Wrapping up the Winter Session, March 10, at Trinity United Methodist Church, over 130 members enjoyed Luana’s Wahines and the Big Kahuna after a delicious meal of Smokey’s Barbecue and our salute to our fabulous OLLI instructors and their facilitators and A/V assistants. Thanks to all the volunteers who work to make our program so wonderful and to the Social Committee for their hard work to make these events possible.

Your Public Relations Committee is busy spreading the word about OLLI at UAH and is asking for your help. Please tell your friends and family about our great programs. Committee members are distributing Spring flyers and catalogs throughout the community as well as placing ads in various publications. A public service announcement promoting OLLI is being aired on Huntsville Public Radio station WLRH 89.3 FM/HD.

OLLI representatives will be present at Wheeler and Hays Nature Preserves, Earth Day events and the Master Gardeners’ Conference in the coming months. Everyone is invited to attend and help promote our great OLLI programs!

You may have spotted Bob and Nancy Darnall and Jennifer Brewer wearing royal blue long-sleeve OLLI shirts. These shirts are available in all sizes for purchase through the OLLI Volunteer Office for just $20.00. Simply sign up in the office, place your cash or check (payable to OLLI) in an envelope (provided in the OLLI office), write your name and “OLLI shirt” on the envelope, and place in the OLLI box in the Registration Office (WH 103). Jennifer will call you when your shirt is ready. You can also buy one of the remaining white polo shirts for $10.00 each.

The Public Relations Committee will schedule presentations for local companies and groups to tell soon-to-be retirees and other interested adults about OLLI. Please email Jenniferbrewer1956@gmail.com with the HR contact information at the companies where you once worked, or at places you believe would be willing to schedule an OLLI presentation. Civic clubs, church groups, or other organizations often need speakers. We have some of the best!

As OLLI gears up for the Spring Session, the Member Services Committee swings into action for the details required for our program. We will come in the week prior to clean the tables and chairs in the OLLI classrooms, clear the refrigerator, assure the coffee and supplies are on hand, and enlist volunteers for the snacks following the Wednesday bonus.

If you wish to bring a snack, contact Val Seaquist at vjimval@aol.com. Reimbursement and planning assistance are available; snacks may be ice cream novelties, home-baked goods, or fruit and cheese with crackers. Use your imagination. A small serving is perfect.

Thank you, Karen Machamer for the homemade cookies, Sue Chatham for the chips and salsa plus cheese and crackers, and Val Seaquist for the pastries and fruit salad. We enjoyed them all very much.
OLLI Undergraduate Scholar

OLLI members donate to the OLLI Undergraduate Scholarship Fund to support one or more undergraduate students at the University of Alabama in Huntsville. Our 2016-17 recipient, Cassidy Bateman, responded to our members’ generosity with the letter below. All donations to the fund are tax-deductible and a significant benefit to our recipients, most of whom would not have been able to attend college without our support. No gift is too small. There is much competition for your donations; we appreciate your consideration. Thank you.

Dear OLLI at UAH Members,

I am writing to thank you for your generous gift, the Osher Lifetime Learning Institute at UAH Scholarship. I was very excited and grateful to learn that I was selected as the recipient of your scholarship.

I am a Business Administration major with a focus in Accounting. I am currently a freshman carrying 13 hours, and I plan to graduate from The University of Alabama in Huntsville in the spring of 2020. After graduation, I plan to pursue a career in accounting with a well-known business with a high reputation. Thanks to you, I am even closer to achieving that goal.

By awarding me the Osher Lifetime Learning Institute at UAH Scholarship, you have lightened my financial burden, which allows me to focus on my studies and learning, which is the most important aspect of school. Your generosity inspires me to help others and give back to my community in every way possible. I sincerely hope that one day, I will be able to help students achieve their goals just as you have helped me become one step closer to achieving mine.

Sincerely,

Cassidy Bateman
